

## ENGLISH

### TASK 1

Please spend little time in your 'Mom's Kitchen – where 'meals' and 'memories are made.

And do try to know about the 'species', cereals and utensils used here. Try to gather the following information:

List the names of the following and write their common names too –

- 10 species used in the kitchen
- 10 Utensils used in the kitchen
- 8 to10 names of pulses
- 5 cereals
- 10 Grocery items
- 5 electronic Gadgets that are commonly used in kitchen

### TASK 2

There can be several things that are thrown away at home. Think of some interesting ways in which they can be made useful (e.g coconut, shells,bottles , newspapers, bangles etc.)

Prepare a nice project that can be about the best use of waste.

***“Folk tales are stories that grew out of the lives and imagination of the people or folk. They have always been children’s favourite type literature”***

### TASK 3

Read a book of folk tales and complete the following details.:

- a) Name of the book .
- b) Writer of the book
- c) The story you like the most
- d) Where does the story take place.
- e) Who are the main characters in story
- f) Mention some good and some bad qualities of the characters.
- g) What did you learn from the story.

### TASK 4

Don't forget to give water and food to the birds in this scorching heat. You can make beautiful bird houses for the mute creatures. Click some pictures of your good deeds.
